**Age:** Camps are designed for boys in grammar school of any age and incoming MC freshmen, unless an age restriction is noted on the camp description.

**Transportation:** Mount Carmel will provide limited transportation to all of its summer camps, except for the golf camps. The cost is \$25 per camp. Van and car routes will be established based on camper registration. Pickup locations will be designated in areas of high demand. We will try to accommodate the transportation needs of every camper. If you know you will need us to provide transportation for your son, please return your registration as soon as possible. You will be notified immediately if pickup in your area is unlikely, and an effort will be made to find a drop off location that will work.

We cannot notify you about transportation until the end of the week prior to the start of camp. Many adjustments have to be made as last-minute applications arrive, so we don't start the notification process until a few days before the camp begins.

**Refunds and Cancellations:** No refund will be given if your request to cancel is not made at least two weeks prior to the start of camp. Any camper who leaves camp due to injury or illness will receive a pro-rated refund. No camper may leave camp with an injury without being seen by the Mount Carmel trainer.

While camp day registration is available, it is not encouraged. We need to ensure that we have the appropriate number of staff and T-shirts available. We cannot guarantee transportation without preregistration.
